

Assessment Centre- on line training

Winter 2021

The Assessment centre is coming! Places are scarce and the process taught but not impossible and with the right preparation you can have one of them. Get ready for it.

Your dream, Our method!

DESCRIPTION

- The sessions are focused on the last phase of the EPSO exam (Assessment Centre) and go into details on the tests to be carried out, providing keys and practice to overcome it.
- The exercises in class and the work materials put the participant in the same situation as in the official exam, supervised by a teacher who provides feedback, solves doubts and explains the applicable methodology.
- There will be sessions for the following test
 - General competency (CBI), motivational and field related interview
 - Case study (+5 cases to practice with individual evaluation)
 - SCBI – Situational competence-based interview (replaces group exercise)
 - Oral presentation
- All sessions available and their respective timetables [are available in this form](#)
- The structure of the competition test will be followed and adapted to each candidate profile. The explanations and the exercise of practice may be in English, French, Italian or Spanish.
- The methodology and applicable strategies have been developed by our teachers, as a result of their experience passing the tests several times and helping other opponents to successfully overcome them.
- Places are limited (max 5 students per weekend-session, max 4 students week session). The realisation of the course is subject to a sufficient number of students.

Timetable : indicated with the date of the session
